

# BOYNTON LEISUREVILLE

March 17<sup>th</sup>, 2021

## NEWSLETTER

**Happy St. Patrick's Day** Again the year is slipping away quickly and it sounds like COVID-19 is losing traction (hopefully) also. Time for another meal of Corned Beef and Cabbage.

### Highlights from the March 1st Board Meeting:

**Night swimming.** Gina spoke about the progress made on the project for lighting for night swimming. Engineering is in place and expectations are for the Community to have approved lighting in a matter of weeks.

**Open all indoor and outdoor activities.** It was moved to open all indoor and outdoor recreational activities to comply with the requirements of the CDC and Palm Beach County Emergency order 2020-28. There was a motion to postpone any action until the next Board of Directors Meeting. Motion passed.

**Open Bocce Courts** Motion to open the Bocce Courts for play; players supply their equipment, and players must comply with the latest statutory requirements regarding social distancing and masks. Further, Management will prepare the courts for play and notify the community when ready. Motion passed.

**A&L Committee** Currently surveying areas to the East of SW 18<sup>th</sup> Street. We have 6 teams of 2 people each so the project will be done quickly. Timothy Haak, Property Manager follows the survey sheets to photograph those items identified by the survey teams. Letters to the residents are then written. We encourage residents to have their roofs, driveways, railings, etc. regularly and to keep shrubbery trimmed neatly. The next committee meeting is Thursday, March 18<sup>th</sup>.

**Boynton Leisureville Observation Patrol** Cathy Mainville reported on the shifts the 15 volunteers have made in the last 2 months and asked for more volunteers. Please call Cathy at **401-573-7629** to volunteer.

**Boynton Leisureville News** is the name of the new **Facebook Group** which is specifically for residents of Boynton Leisureville. It is completely non-political, locally as well as nationally. There are no opinions posted only verified news from the **Board of Directors, FirstService Residential, and Boynton Leisureville Committees**. No comments of any kind will be permitted. It is a Bulletin Board of the News of Boynton Leisureville. So, if you want factual, accurate, and timely BLCA news, please join the new group. Just search Facebook for "Boynton Leisureville News" and be sure to enter your address (for resident verification purposes. We currently have 70 members and are growing. Thank you to all who have joined.

**Boynton Leisureville Post March e-Edition** is available by clicking this link:

<https://www.boyntonleisureville.com/boynton-leisureville-post>

**Vaccine Volunteers** The volunteers have been working hard lately but have been having mixed results. There are many more people in Palm Beach County and Florida as a whole becoming eligible to receive the vaccine. This has reduced opportunities for those 65 and over to receive the vaccine. On the bright side, many of our Boynton Leisureville residents are under 65 and are now eligible for the vaccine. Here are some sources to contact if you have a computer, smartphone, tablet, etc.:

[myvaccine.fl.gov](http://myvaccine.fl.gov) State-wide but you can pick Palm Beach County

Be sure to use your telephone number when booking as they will send a text to verify it is you. Also, if the person is **not** a Florida resident, they will need proof like a Florida utility bill in their name, etc.

**954-686-4273** Trades Wind Park 6300 Sample Rd also offers Ft. Lauderdale & Sunrise

**1-888-499-0840** Hard Rock Stadium – Hollywood

Other sources are CVS, Walmart, Winn-Dixie. Please go to their websites for information.

As always, any eligible resident who needs assistance can contact our group for help. Please call Jim Holmes **605-332-0057** assistance.

**Theater Guild** MARCH 27<sup>th</sup> AND MARCH 28<sup>th</sup>, 2021 had been the re-scheduled dates of the THEATRE GUILD PRODUCTION OF “WALK ON THE WILDSIDE.” However, Covid-19 AGAIN had raised its ugly head and kept us from having a decent show with a decent audience. I know that we are not alone, but knowing does not make our very super DISAPPOINTMENT any easier. There does seem to be a little light at the end of the tunnel these days...We AGAIN re-scheduled for NEXT APRIL 09, and 10, 2022...One more year to go. IF we continue, as we have been doing so far, with the masking, and the social distancing., etc, etc, and OF COURSE getting vaccinated just as soon as you can...WHENEVER YOU CAN...will help to guarantee that we will have a cast, and, of course, an audience. So what are you waiting for? GO DO IT! after all... you owe it to yourself, but more than that, you owe it to your neighbors and friends. Do you ever want to get back to the swimming pool? Day or nighttime swimming? Do you ever want to get back to the gym room? Or back to playing Mah Jong? Or going to parties and dances? Or entertainment shows or our Annual Spring Shows? So go DO IT...ALREADY! Thanx!
